C Of C To Replace Twenty-Mile-Bend Roadside Sign

Elected as new directors of the Pahokee Chamber of Commerce with three-year terms of office each are Roy Vandegrift, Jr., L. J. Fraser, W. K. Aldridge, Earl H. Schmidt, Helen Hillier and Jess M. Elliott.

Results of the mail ballot election conducted last month were reported by the election board, headed by Curtis Chase, at the October meeting of the chamber's board of directors Monday night. The new directors will assume their duties of office at the annual directors meeting to be held Tuesday evening, Oct. 22, when a new president and other chamber offices will be elected.

Directors whose terms of office expire at this time are Clark Wilkinson, Alma Farrow, J. V. Thomas, William Plumer and Joe Alderman.

It was announced the chamber is cooperating in the observance of Fire Prevention Week, Oct. 6-12, by distributing posters and literature relating to fire prevention throughout the business district and to all the schools in the community.

The group voted to replace the Pahokee roadside sign at Twenty-mile Bend with a larger sign of (continued on page 5)

Pahokee Lions Vote To Purchase Lot

The Pahokee Lions Club at the Tuesday luncheon meeting voted to purchase a .90 by 150-foot lot on Bartfield Highway across the street from the Church of God for use as a site for a proposed club building which the group plans to build when funds are available. Preliminary negotiations for the purchase of the land were made by Charles Brown and his special building site committee.

Curtis Chase, chairman of the finance committee, presented at the meeting for approval the club's administrative budget for the year. The Club voted to participate again this year in the Pahokee PTA Halloween Carnival, with Duncan Padgett and T. E. Pennington appointed on the committee to make arrangements for the carnival project.

It was also voted that the Club sponsor a rodeo in Pahokee later this fall. President J. H. Wilkinson, Jr., named C. W. Pell, Duncan Padgett and W. A. Reynolds on a committee to arrange for this sponsorship.

On the program Paul Tillery, program chairman, introduced Miss Jean Brown, lovely Pahokee High School Junior, who was crowned queen of the 1957 World Softball Tournament at Clearwater last month. Miss Brown told of her experiences during the week she reigned as tournament queen and showed some of the prizes she received as winner of the beauty contest.

Mrs. Emma Wheeler has returned from a visit with her son and daughter-in-law, Mr. and Mrs. Joe W. Wheeler, in Moultrie, Ga.

Brownie Troop Is Organized

Second grade girls at the Pahokee Elementary School under the leadership of Mrs. Helen Jean Boynton and Mrs. Margaret Wilkinson organized a Brownie Troop at the school Tuesday afternoon. It was voted to hold meetings at Mrs. Wilkinson's home every Thursday afternoon and officers will be elected at the meeting next week.

Charter members include Ruth-elle Vandegrift, Cecilia Brower, Wanda Gail Sims, Beverly Wilkinson, Susan Stanley, Gail Hunter, Gloria Williams, Aleda Shackford, Joan Geraghty, Alice Johnson, Georgia Barber and Cathey Boynton.

Canal Point PTA Held Reception For School Teachers

The Canal Point Parent-Teacher Association held a reception for the teachers of the Canal Point School at the school Monday night.

The address of welcome to the teachers was given by Cecelia Updegrave, program chairman. Mrs. A. R. Harrington, president, introduced the regular members of the faculty and Mrs. Ruth Snyder, who teaches music at the school part time. Each was presented with an attractive planter filled with flowers as a gift from PTA. The same gifts were also presented to Fred Spires, custodian, Mrs. Oliver Hatfield, lunch room manager, Mrs. A. Q. Howell and Mrs. Louis Cowart, school bus drivers.

Other guests introduced were Henry O. Earwood of Belle Glade, chairman of the County Board of Public Instruction; T. W. Knight, of Pahokee, a member of the County Board; A. R. Harrington of Canal Point, school trustee; Brooks Henderson, principal of Pahokee Schools, and Paul Rardin, County commissioner. Each spoke a few words of welcome to the (continued on page 8)

Attend Vegetable Association Meeting

Among those who are attending the annual convention of the Florida Fruit and Vegetable Association in Miami Beach this week are Mr. and Mrs. Roy Vandegrift, Jr., Mr. and Mrs. John A. Dulany, Mr. and Mrs. Joe Hutton, Mr. and Mrs. Robert Apelgren, Mr. and Mrs. William Plumer, Mr. and Mrs. James H. Wilson, Mr. and Mrs. Owen Todd, Mr. and Mrs. Ed Thomas, Mr. and Mrs. L. J. Fraser, Mr. and Mrs. Graham Mole, Mr. and Mrs. John Whitmore, Mr. and Mrs. Jess M. Elliott, Mr. and Mrs. Terry Sellers, Mrs. Ruth Wedgworth, Mrs. Joe Tom Boynton, Mrs. Lewis Friend, Mrs. Billy Rogers, Mrs. Lucille Johnson and Speedy Gay.

Miss Annette Gordon has been employed as radio dispatcher at the Florida Highway Patrol office in Pahokee replacing Mrs. Harold Lockmiller the former Juanita Weeks Harlow, who recently resigned and is moving with her husband to Washington.

Record Tax Roll Will Cost Million Dollars A Month

A record tax roll, one that will cost Palm Beach County taxpayers a million dollars a month, was submitted to the County Commission Monday by James Owens, county tax assessor.

The commission, by statute, is required to receive the tax roll on the first Monday in October.

Owens told the board total taxes to be collected by all sources during the year will be \$13,008,064—of which the largest slice, about \$5 million, goes for schools. The county's share to the tax revenue is \$4.4 million with the balance of collections going to the Port of Palm Beach, Central and South Florida Flood Control District, sub drainage districts, hospital districts and special road and bridge districts.

Total valuation for the tax roll was set by Owens at \$340,668,092 an increase of some \$37 million over last year. Of the increase, more than \$13 million is tax free because of homestead exemptions, the assessor explained.

A change in intangible tax laws has boosted the source of revenue by \$1 million, Owens said. Total estimated intangible taxes which go directly to the state and are not shared by the county, was set at \$1,854,705.

Bids Are Sought On \$150,000 Gym Pahokee Schools

School Board Member Thurmond W. Knight of Pahokee announces that bids will be received early in November for construction of a new high school gym at Pahokee. Estimate of cost of the new gym is set at \$150,000.00 and Mr. Knight is anxious that all Glades contractors bid on the job.

Bids will be received Oct. 25 for a new Junior High School to be erected at Lake Worth. Cost of this project has been estimated at \$400,000.00, Mr. Knight said.

At Delray Beach another school—Southwest High School—will be erected and bids will be received on the same date. Estimated cost of this structure is set at \$450,000.00, Mr. Knight.

City Council To Study Sanitation Facilities

The Pahokee City Council at the regular meeting Monday night will receive completed plans for the installation of sanitary facilities on the levee for Pahokee Harbor. If the plans are accepted by the Council bids for the construction of the facilities will probably be advertised within the next 10 days, according to Mayor F. S. Parrish.

LAMPI ATTENDS MEET

Bandmaster Robert O. Lampi of Pahokee attended a meeting of the legislative council of the Florida High School Activities Association in Gainesville Monday as secretary of the Florida Bandmasters Association.

Elks District Ruler Visits Pahokee Lodge

G. Pat LeMoyné of Fort Myers, Elks district deputy grand exalted ruler for the South-Central District of Florida, paid an official visit to the Pahokee BPOE Lodge 1638 Thursday night of last week. Following the lodge meeting Mr. LeMoyné was honored at a barbecue supper.

While the district deputy was making his official visit Mrs. William S. Plumer, wife of the exalted ruler of the Pahokee Lodge, entertained with a buffet supper, honoring Mrs. LeMoyné. The wives of other visiting Elks and wives of officers of the Pahokee Lodge were also guests.

J. H. Bordeaux Is New President Mens Bible Class

The Men's Bible Class of the Canal Point Baptist Church elected J. H. Bordeaux as its president. The first meeting of the Class in a business meeting, was held Tuesday night at the Church, with President Bordeaux presiding.

The Class reported plans for assisting the Church in the Revival Meeting, October 20-27. J. H. Strayer will serve as the Chairman of the Parking Committee. Other men are working on other items of usefulness and interest.

One of the matters discussed at their meeting was the enlistment of more men in the Sunday School and other Church related activities. The recent Religious Census conducted by the Canal Point Church revealed that there are 69 men between the ages of 25 to 50 who prefer this Church to all others, and there are 55 men between the ages of 51 and up, who likewise prefer the Canal Point Baptist Church as their place of worship and training. So the men are determined to try to enlist and enroll as many as possible of this (continued on page 8)

Girl Scout Troop 4 Meet At Church

Pahokee Girl Scout Troop 4 at a meeting at the Methodist Church with Mrs. Jack Phillips and Mrs. Jimmy Batchelor, troop leaders, voted to ask the home economics director for the Florida Power and Light Company to conduct a cooking school for local Girl Scouts.

Barbara Childers reported on activities at the Girl Scout summer camp which she attended at Camp Margery Daniels near Jupiter. Members did work toward the earning of "You and Your Home" badges. It was announced troop members will serve as flag bearers in the presentation of colors at the December PTA meeting.

Willadene Todd and Heather Reed served refreshments of homemade doughnuts and punch which the girls made themselves.

Speedy Gay has joined the sales staff at S. M. Jones & Co., Inc., in Canal Point. Mr. and Mrs. Gay have moved into the Earl Crossman residence, 254 East Main St., Pahokee, where they are now making their home.

Blue Devils Still Trying For First Win Of Season

Pahokee High's Blue Devils, still after their first win of the season, will tangle with the Seacrest Seahawks in a Suncoast Conference contest at home on Laird Field tonight (Friday), starting at 8:15.

Coach Jim Reichert's Hawks, after winning their first two games from Belle Glade and Titusville, were edged, 6-0, by Clewiston last week and will be trying to rebound as they meet the Devils tonight. Reichert has done some shifting in the lineup during the week, putting Dave McFarland, who started as halfback last week, back at his former position at end and is starting Richardson at left half.

The Hawks' ace halfback, Joe Clark, who suffered a leg injury in the Titusville game, will not be in the starting lineup and it is not known whether he will be able to play next time tonight.

The Blue Devils, after making a good showing against Bartow in their opener, were mowed down the following week by the flu and are still somewhat shaky from their ordeal. Against Fort Pierce last week they lack sustained driving power in their offensive thrusts and are still too sluggish in scrimmage sessions this week to satisfy Coach Wed Pell.

A standoust in practice this week (continued on page 8)

Moore Haven Gets Slaughter Plant

Announcement has been made in Moore Haven by L. A. Stanton of Chicago and Sarasota he has signed a purchase option for 16 acres of land in Glades county from E. J. Kidd on which he plans to build a slaughter house and meat plant at a cost of \$250,000.00.

Stanton said he would begin construction of the slaughter house and rendering plant as soon as plans have been approved by the Dept. of Agriculture, since the plant will operate under federal inspection.

"It will probably be six months before we can begin operating," Stanton said, "but we will be operating in three months if it's possible."

The site selected for the plant is a triangle of land bounded on one side by the Atlantic Coast Line Railroad, on the other side by the Diston Island No. 1 feeder canal and the base along SR 720, about three miles east of Moore Haven.

Stanton said, "I don't pretend to say that the plant will be as large as the Lykes plant in Tampa, or the Swift plant in Ocala, but I'll assure you that there'll not be a more modern plant in the netire country."

A starting operation of 100 cattle and 200 to 250 calves is estimated with jobs for some 50 people.

This is the first industry of any size that Glades County has obtained in several years, despite the rapid growth of other parts of the state.

Stanton said that he had checked several other sites in south central Florida.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A green light for operation of a county parking lot near the court house was given this week by Attorney General Richard Erwin.

The commission has plans for operation of a paid lot near the court house and leasing of private parking lots for use of county employees.

County Attorney Harry Johnston advised the board this week that Erwin said a plan presented by the commission meets the requirements of special legislation which gives the commission authority to buy, own or lease parking lots.

Under the plan presented by Commission Chairman Kenneth Foster this week, the courthouse lot will be leased to a parking lot operator on an annual basis with the county sharing a percentage of receipts.

In other actions this week the commission:

Heard a report by Commissioner Paul Rardin that the telephone company is making every effort to repair damage to road shoulders and driveways caused by cable laying operations. On motion of Rardin, the board lifted its ban on issuing cable laying permits to the company.

Received a request from Bench Adv. Company for a county franchise to erect bus benches on county roads. The commission instructed its attorney to advise the company to furnish detailed locations for the benches and specifications for bids.

Voted to ask the Palm Beach County legislative delegation to seek reapportionment for state senators and representatives on a population basis.

Heard that the South Eastern Airport Managers Association will meet here in 1958 with Frank

Saksler, county airport director as convention chairman.

In an effort to consolidate its parks budget for the coming year, the county commission voted Monday to consider the possibility of turning over the operation of Phipps Ocean Park to the Town of Palm Beach.

Commission Chairman Kenneth Foster said the up-coming budget is far short for providing funds for both operation and improvement of all county parks and that some means should be studied whereby the board can give special attention to further development of its four major parks. Major parks were listed as Jupiter Park, John Prince Memorial Park, Lake Ida Park and Glades Park.

The board also explained that one of the principal reasons for turning Phipps Park and possibly Foster Memorial Park at Riviera Beach over to municipalities is to eliminate divided authority for operation of the two parks—both of which are located within city limits of the two communities.

Under no circumstances, Foster said, would the county consider turning over lands that are not deeded for public park use, to be operated by state, county or municipal agencies. Both Phipps and Foster Parks have been dedicated for public use for all times, Foster said.

The board chairman said Palm Beach officials have expressed interest in taking Phipps Parks but the Town of Riviera Beach is not interested at this time in accepting the causeway recreation area in that municipality.

Bobby Erickson, son of Mr. and Mrs. Floyd Erickson of Canal Point, is enrolled at Forest Lake Academy in Maitland.

Cinematic Chatter

By Malcolm Millar

Hello everybody! It's harder to be "bad" than "good" in front of the cameras, according to Richard Boone, veteran of stage and screen. Boone is the man that should know, he has played many a sympathetic and many a villainous role during his career. "A villain is difficult to play because most members of the audience find the pathological premise for such characters foreign to their own experience," the actor explains. "They are familiar with the psychology of what is considered 'a regular Joe', a nice guy with reasonable desires and objectives. Most people are like that, and so they find it hard to identify or affiliate themselves with psychiatric cases," Boone says. Similarly, Boone finds it difficult to make audiences believe in the wish to murder on the part of a character. The man's thought processes have to be shown as reasonable and plausible. "My impersonations, if overdrawn, could draw hisses from spectators as though they were

watching an old-time-melodrama. However, if the part is well written there is little chance of overplaying the role." Boone always does a magnificent job of true characterization in every role he is given. See you at the movies—Mal.

Fred Brocks Father Drowns At Mobile

Fred L. Brock, Jr., received word the past week that his father, Fred L. Brock, Sr., died by drowning at Mobile, Ala., last June. Police officials at Mobile believe the deceased was drowned when he fell overboard while fishing. The body has been in the water approximately 10 days when discovered in June and identification was not made immediately.

Mr. and Mrs. Brock have returned from Mobile where they spent a few days investigating his father's death.

Mr. and Mrs. Harry Waldschlager had as recent guests their nephews and nieces, Mr. and Mrs. Fred Fisher and children of Louisiana, Mo., and Mr. and Mrs. Rolie Fisher of Hannibal, Mo.

David Watkins Is Hurt In Gym Class

David Watkins, 15-year-old son of Mr. and Mrs. D. B. Watkins and a member of the Sophomore class at Pahokee High School, suffered a severe neck injury while engaged in tumbling exercises during his physical education class session at the high school Thursday afternoon of last week.

David was taken to the Everglades Memorial Hospital for treatment where X-ray pictures of the injury did not show any bone fracture. The paralysis which immobilized his body after the injury gradually disappeared Thursday night and he was able to return to his home on Saturday.

An Eagle Scout, David attended the Philmont Scout Ranch in Arizona the past summer.

Mr. and Mrs. Arden Geiger and daughter, Peggy, have returned to their home in Canal Point after spending the summer in Arkansas where he was engaged in crop dusting by plane.

From where I'm sittin' by Joe Marsh

Whip Training

Comin' into town the other day I stopped to watch some youngsters breaking a colt to saddle. They were real gentle, talkin' to him all the time, rubbin' his back and holdin' the saddle against his side so he'd get used to it.

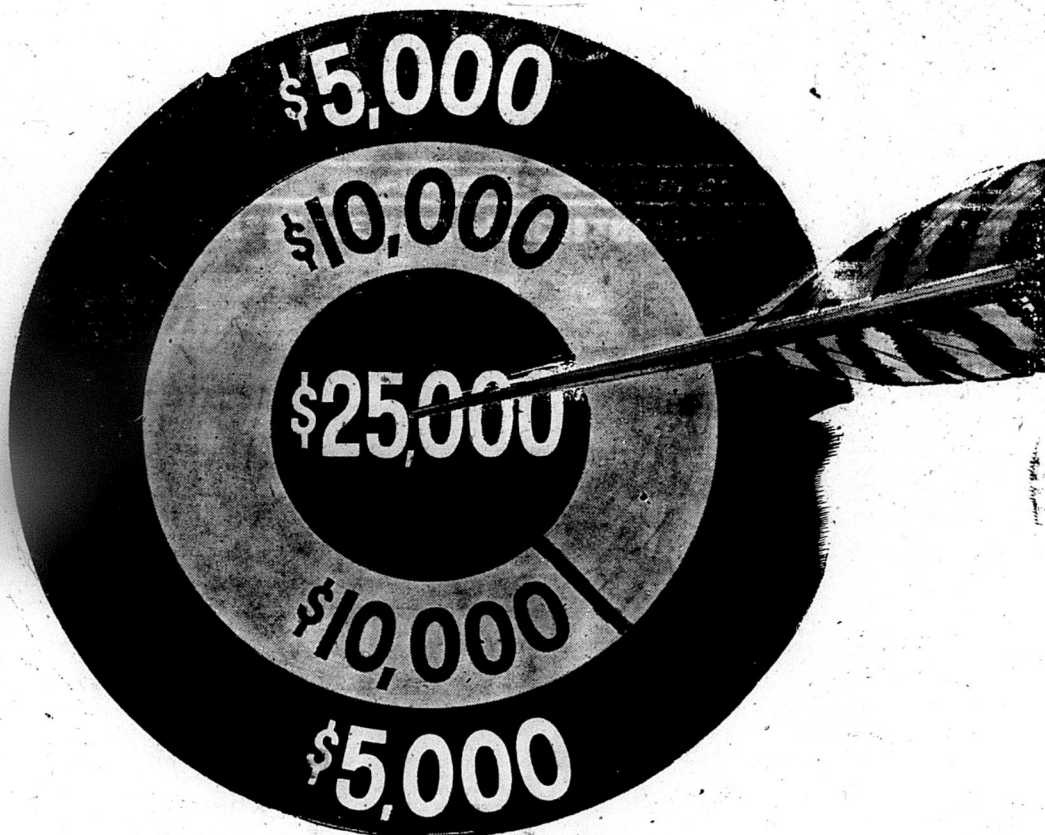

As I was watching I thought about another colt I'd seen being whip trained. A long rope on the halter and a "skinner's" whip. When the colt turned away from the trainer he got cut with the whip. The colt learned, through fear, that he had to stand still all the time.

From where I'm sittin' there's two ways to hold people in line,

too. There's the gentle way which requires patience and understanding, the other way is by "whip training"; by making laws and forcing people to obey.

Now it so happens that I enjoy a tasty glass of ale or beer with my dinner. I feel as though I'm being whip trained when someone tries to pass a law to deprive me of that little pleasure.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do *more* than save through Payroll Savings. You *invest* your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Fla. Is Gaining Rank In States As Crops & Livestock Producer

Floridians who are inclined to boast about their state's agricultural production can do so with justifiable pride.

Florida ranked fifth in the nation in value of crops other than livestock produced in 1956, according to the September issue of The Farm Income Situation, published by the U. S. Department of Agriculture.

In 1956 Florida's crop production was exceeded in value only by Calif., Illinois, North Carolina and Texas.

Cotton and tomatoes accounted for a good part of California's income and in Texas cotton and grain sorghum were the major crops. Tobacco accounted for North Carolina's place. In fact, it leads the U. S. in tobacco production. In Illinois corn, soybeans and wheat gave it a place over Florida.

Where did Iowa place in crop production? Well, it ranked 8th but in livestock its value was nearly double that of second place Illinois.

Florida's rank of 33rd in livestock production is nothing to shout about. However, that is a rise from 38th place since 1951, and economists say this trend will probably continue.

Orange and grapefruit production in Florida outstrips California by better than two to one, and we beat Texas in this respect by four to one. Only in lemon production among citrus crops does California lead. Florida's production of oranges and grapefruit in 1956 was worth \$75 million more than that of California and Texas combined.

They presented to each of the officers a single red rose and to the installing officer a corsage. Mrs. Florence Keen, mother advisor for the Pahokee Assembly, was present at the meeting.

Cerebral Palsy Study Progresses

TAMPA—Dr. A. Ziegler McPherson, medical director of the United Cerebral Palsy of Tampa, reported to the members on the progress being made in the field of medicine as it relates to the problem of cerebral palsy. Emphasis was placed on the growing need to recruit specialists in all phases of medicine to combine their skills in finding new techniques to treat this neuromuscular disorder.

Dentistry in cerebral palsy was one phase given considerable attention in its relationship to the cerebral palsied. Cerebral palsy, it was pointed out was one crippling condition involving the nervous system, which should be known to every dentist interested in children. Also, that cerebral palsy is not a single entity but represents a group of conditions all caused by injury or disease to some part of the brain.

In discussing the subject, Dr. McPherson said, "The occurrence of cerebral palsy may be pre-natal, natal, or post-natal in origin and the affliction may involve the child's motor sensory or mental powers. These children, although crippled in numerous ways, bodily are not necessarily feeble-minded. At least three-fourths of the cases of cerebral palsy can be rehabilitated through training and education in such a way as to make them contented members of society."

COMPLETES COURSE

An American Red Cross course on "Home Care of the Sick" has been completed by members of the home economics class over at Pahokee High School and ARC certificates were issued to the students, according to Mrs. Doris Lane, instructor.

RECUPERATING

Mrs. Homer Sellers of Canal Point is recuperating from major surgery performed recently at the Belle Glade Memorial Hospital. Mr. Sellers, who is employed in construction work at Trinidad, BWI, arrived by plane last week to be with his wife during her illness.

Electronic Computer Speeds Research

GAINESVILLE—A new electronic computer is saving hundreds of years of laborious work in research at the University of Florida.

The \$200,000 IBM machine, a medium-sized three-ton gadget, has made possible research here in fields denied before because of the endless detail work involved.

For instance, a graduate student running a series of questions through the computer received his information in 10 days. Without the computer, it would have taken 100 years.

Orlando, Tampa Mayors Converse

TAMPA — "So the mayor of Tampa said to the mayor of Orlando . . ." might well become the Florida sequel to the legendary conversation between the governors of the Carolinas.

A special inter-city radio hook-up between Mayor Nick Nuccio of Tampa and Mayor Robert Carr of Orlando was arranged last Saturday by radio station WGTO. The broadcast brought together the celebrated mayors of the two celebrating cities.

Mayor Nuccio called Mayor Carr from the Tampa Kiwanis Klubs' Day celebration at MacDill Air Force Base, and Mayor Carr extended Orlando's greetings from the scene of Orlando's Centennial which the chamber of commerce is conducting.

It is thought to be the first time in Florida broadcasting that two great civic celebrations in two major cities have been linked by air, with the mayors exchanging personal greetings in a two-way inter-city hook-up.

Mr. and Mrs. W. J. Morris of Miami and A. H. Hamrick of Savannah, Ga., were visitors in Canal Point Sunday where they called on D. L. Hooks. Mr. Hooks said he had not seen the visitors in 25 years. Mr. Morris was a dry goods merchant in Canal Point many years ago and Mr. Hamrick sold groceries here in the early days.

Girl Scout Troops Has Joint Meeting

Members of Pahokee Girl Scout Troops 38 and 184 met jointly at the Pahokee First Methodist Church to hear a talk by Mrs. Jess M. Elliott, junior gardens chairman for the Pahokee Garden Club, the preparation and care of dish gardens and making decorative arrangements with natural dried materials.

Scout Workers Take Training Course

Pahokee Girl Scout workers who are attending the Scout Training course being taught by Miss Jane Towater and Mrs. Nina Holden of West Palm Beach at the Scout Hut in Belle Glade include Mrs. William Plumer, Mrs. R. Extra Phones

where

you need them

...in color!

...there's a plan to fit your home!

No home is truly modern today with just one telephone. Easy living demands that you have extra phones where you need them most—in decorator corners, too, for smart touches of beauty.

We have a tailor-made telephone plan to fit your personal needs, at low cost. You'll find one of these plans gives you the ideal telephone arrangement, no matter what type or size home you have. You actually may have several extra phones for less additional cost each month than you now pay for the main telephone! And there's only one small connection charge.

Just call our Business Office and let the service representative who handles your account help you select the best arrangement for your home.

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

* * *

If you want your interest as current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

Choose your own savings goal

Christian Science Group Of Canal Point

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon at Christian Science services this Sunday.
Readings from the King James Version of the Bible will include the following from Psalms (67-1, 2): "God be merciful unto us, and bless us; and cause his face to shine upon us; That thy way may be known upon earth, thy saving health among all nations."
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selections will also be read: (206:26-28, 30): "Instead of God sending sickness and death, He destroys them, and brings to light immortality. . . . God does not cause man to sin, to be sick, or to die."

The Golden Text is from Proverbs (12:28): "In the way of righteousness is life; and in the pathway thereof there is no death."

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$30,000.

Now even better! Invest more in Savings Bonds!

Well, Maybe They Didn't Catch the Fish !!

Here's a couple of Pahokee High School beauties who add greatly to the scenery at J&S Park north of Canal Point where a group of West Palm fishermen proved that good fishing is available at that popular fishing resort. That's Miss Gwen Bracewell on the left and the other beauty is Miss Nancy Lee Thomas, popular member of the drum majorette team of Pahokee High School Band. That handsome string of fish was caught by members of the Prop and Sail Club of West Palm Beach over the weekend when a large number of that organization spent the week end fishing and "eating catfish and hush puppies" at J&S Park.

The Hospitality Committee of the W. M. S. has plans completed for the meals and Christian fellowship periods for the comfort and pleasure of the Ministers and their wives during the period of the Revival.

The Decorating Committee reports that the walls of the Auditorium have all been painted a beautiful, restful green. Venetian Blinds for all the windows have been ordered, and are to be installed within the next few days. Carpet to match the color scheme of the walls will be placed in the Auditorium next week. The Choir space is being increased this week. This will double the present Choir space.

Last Sunday night after the Worship Services, the members of the "Younger Adult Training Union" met in the home of Mr. and Mrs. Russell Maxson for a period of fellowship, and to make plans for enlisting more people in the Training Unions of our Church. Thursday night of this week there will be many visits made in the interest of our Church and her activities.

For the past several weeks at the Prayer-meeting services, the Pastor, Charles D. Stewart, has studied with the people some particular phase of Christian Evangelism. Next Wednesday night he plans to discuss the subject of Church Music and Evangelism. All who are interested are invited and urged to attend. This will be the last Prayer-meeting Study before the Revival, which begins Sunday, Oct. 20.

Plans are complete for a brief season of prayer each night at 7:15 in the Church Sunday School rooms for both the men and the women of our Church. All interested persons are asked to attend these services just prior to the Revival Singing and Preaching.

Mrs. E. H. Garrett Guest Speaker At WSCS Services

Mrs. E. H. Garrett of Belle Glade was guest speaker at the October meeting of the Pahokee Methodist Woman's Society of Christian Service held at the church Monday night with Mrs. E. A. Jensen, president, presiding. Welcomed by Mrs. G. W. Byrd, program chairman of the Margery Lair Circle, the speaker gave a talk on "Japan" and was assisted by Mrs. W. E. Carter, president of the Belle Glade WSCS, in the presentation of a skit depicting Japanese customs. Mrs. C. M. Todd, missionary education chairman, presented Mrs. Garrett with a gift on behalf of the society and both Mrs. Garrett and Mrs. Carter received corsages from Mrs. Byrd.

Mrs. Lloyd Hundley, spiritual life chairman, announced special programs in observance of Week of Prayer and Self Denial will be held at the church Oct. 28 at 7:45 p. m., Oct. 29 at 4 p. m.; and Oct. 30 at 8 a. m.

Mrs. Leo Wroten, Mrs. Robert Hutton, Mrs. Duncan Padgett and Mrs. Robert E. Simonson were appointed to assist Mrs. F. S. Parrish, chairman, in the society's greeting card sales project.

Reports of circle activities during the past month were given by circle chairmen, Mrs. James W. Vann, Mrs. C. D. Carpenter, Mrs. Robert C. Hutton and Mrs. H. J. Anderson. Assignments were given to the Mabel Simonson Circle to have charge of the program at the November meeting of WSCS and to the Mary Martha Circle the placing of floral decorations in the church during November.

Cash contributions by the Pahokee WSCS to the Wesley houses in Miami and Key West for the pur-

chase of supplies were reported by Mrs. Ralph Stanley.

It was voted that WSCS furnish a greeting committee to welcome visitors to the church at every Sunday morning worship service. Mrs. Wayne Owens led the group in prayer.

On the hostess committee in charge of serving refreshments at the close of the meeting were Mrs. Ronald Watson, chairman; Mrs. G. W. Byrd, Mrs. Duncan Padgett, Mrs. Ruby Chaney and Mrs. H. M. McIntosh, all members of the Margery Lair Circle.

Pahokee PTA To Meet Monday

The regular monthly meeting of the Pahokee P. T. A. will be held Monday night at 8:00 p. m. in the High School Auditorium. The executive board will hold their regular meeting at 7:00 p. m. at the school. All board members are urged to attend.

Mrs. Donald Kepp, Mrs. F. W. Cross and Mrs. A. R. Chastain spent Saturday in Miami.

Sorority Chapter Has Regular Meeting

Mrs. Harold Wilkinson was hostess to members of the Beta Omicron Chapter, Beta Sigma Phi Sorority, at a meeting at her home.

Mrs. W. O. Moss presented the program, "Her Crowning Glory," during which demonstrations of various coiffures were given by Mrs. Marvin Vandegrift and Mrs. Peggy Lance, local hair stylists.

Mrs. Carol Parker announced tickets will soon be ready for the "Sissy" doll and trousseau, a fund-raising project sponsored by the chapter.
